

# 12100 SERIES

## Chair Description

Comfort, style and maximum ergonomics ... THIS IS IT!

The 12100 Series has been developed with maximum ergonomics as our guiding principal. Seated in total comfort, you will enjoy the benefits of features such as adjustable arm height, adjustable back angle and one of the finest lumbar support designs in the business!

Featuring our high quality components, the 12100 Series is an office place workhorse. We use only the highest quality materials and combine them with old world craftsmanship to achieve top level quality and ergonomic design.

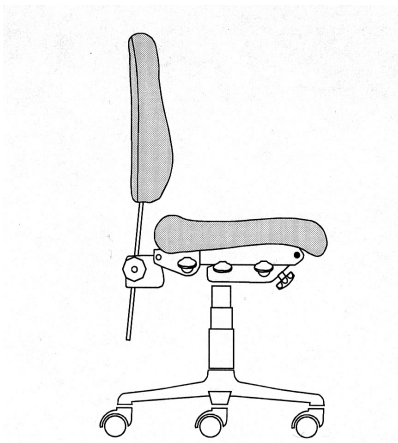

Don't look now, but the price will pleasantly surprise you!
